

Hotel el Gran Ceibo

Hotel el Gran Ceibo

We have four very modern buildings that house our twenty seven rooms. There is a pool side coffee shop open for breakfast, and a full service bar and restaurant, open from noon until late evening. As you enter the Hotel, you have a fantastic panoramic view of two Islands and the Bay, as well as primary mountainous rain forest. To the rear of the Hotel open pasture abounds with wildlife.

We have a total of twenty seven rooms, half are furnished with A.C, cable TV, and hot showers. The others are more basic. There is little noise from the road and none from town.

LOCATION

We're only a 45 minute flight from San Jose, and 5 hours by car. The hotel is one and a half miles from the Golfito Airport. Due to Golfito's location we are only 15 miles by water to the world famous Corocovado National Park, and within easy access to the Golfito Natural Refuge, and only minutes away from the beautiful beaches of Zancudo, Pavones and Cacao.
